Cottage #5 – Halstead Site	0	0	N/A	0	0	0

All residence halls have a fire alarm system that includes heat and smoke detectors. The system is monitored 24/7 at the University Police Department. The systems consist of fire alarm control panels, smoke detectors, heat detectors, and tamper devices. The sprinkler systems are monitored with tamper and flow devices. All fire alarm systems and fire sprinkler systems are monitored daily for problems and tested annually.
